Upcoming Holiday Closings

Monday May 27th, Memorial Day – Closed
Thursday July 4th, Independence Day - Closed

When's The Last Time You Updated Your Information?

Things change such as phone numbers, addresses, driver's licenses, or even insurance companies. Be sure to let us know when your info changes so that we can keep you safe and informed. This is especially necessary in the case of debit card fraud alerts. If we can't reach you, we can't confirm suspicious activity and your card will be shut down.

Notice – Night Drop Deposits

All deposits received in the night drop are posted when the Credit Union opens at **9am** for the current business day. All returns are completed by the data processor prior to opening. As a result, it is pertinent that you are sure there are funds available in your account before writing checks or making payments. We will **no longer refund NSF or bounce fees unless caused by a Credit Union error**. We appreciate the understanding.

Get Paid for Making the Grade

Kids in grades K-12 can earn money for their hard work in class. Bring in their report card at the end of the term. We will match \$1 for each **A** received for a core subject up to \$5

Go Green by Switching to E-Statements

Paper consumption is a huge issue. Believe it or not, the United States uses about 68 million trees per year for paper products. In fact, over the last 20 years, paper products have increased from 92 million tons to over 208 million tons – an increase of 126%. An average person in the US will use more than 700 pounds of paper products a year. That's a lot of paper. In honor of Earth Day on April 22nd, your credit union urges you to save a few pounds of paper each year and switch to E-Statements. Not only are you helping to save the environment, but you would have one year's worth of statements at your fingertips.
